

## **ACRONYMS AND ABBREVATIONS**

30SW	30th Space Wing	CONTR	Contracting
ABRES	Advanced Ballistic Reentry System	CRSS	Consolidated Range Simulation System
ACC	Air Combat Command or	CRTV	Command Receiver Test Van
	Area Control Center	CT	Command Transmitter
ACCRDS	Area Control Center Radar Display System	DASS	Doppler Acoustic Sounding System
ADC	Area Defense Council	DCCM	Data Center Controlled Maintenance
ADS	Acquisition Data System	dB	Decibels
AETC	Air Education and Training Command	Det 9	Detachment 9, SMC
AFAA	Air Force Audit Agency	DDN	Digital Data Network
AFFTC	Air Force Flight Test Center	DIPS	Digital Information Processing System
AFOTEC	Air Force Operational Test & Evaluation	DMI	Defense Mapping Instrument
	Command	DMSP	Defense Meteorological Satellite
AFMC	Air Force Materiel Command	Program	, and the second
AFS	Air Force Station	DoD	Department of Defense
AFSPC	Air Force Space Command	DOE	Department of Energy
AGE	Aerospace Ground Equipment	DRWP	Doppler Radar Wind Profiler
AIP	Advanced Instrumentation Platform	DT&E	Developmental Test and Evaluation
AIRMS	Airborne Infrared Radar Measurement System	EATS	Extended Area Tracking System
AIS	Automated Information System	EIS	Executive Information System
ALC	Air Logistics Command	EMC	Electromagnetic Compatibility
ALCM	Air Launch Cruse Missile	EMI	Electromagnetic Interference
ALCOR	ARPA Lincoln C-Band Observables Radar	EOS	Earth Observation System
ALS	Area Landing System	ESC	Environmental Support Center
AMROC	American Rocket Company	FCAC	Frequency Control and Analysis Center
ARIA	Advanced Range Instrumentation Aircraft	FMS	Frequency Monitoring Station
ARSR	Air Route Surveillance Radar	FLTS	Flight Test Squadron
ATSS	Automated Train Surveillance System	FOT&E	Follow-On Test and Evaluation
AVE	Airborne Vehicle Equipment	FOTS	Fiber Optic Transmission System
BIS	Base Information System (aka MIS)	FTB	Field Test Branch
BMDO	Ballistic Missile Defense Organization	FY	Fiscal Year
BPI C2	Boost Phase Interceptor Command and Control	GOES	Geostationary Orbiting Environmental Satellite
CCD	Charge Couple Device	GPS	Global Positioning System
CCSI	California Commercial Spaceport Inc	GSFC	Goddard Space Flight Center
CCTV	Closed Circuit TV	GTP	GPS Translator Processing System
CES	Civil Engineering Squadron	HAIR	High Accuracy Instrumented Radar
CMC	Command Management Center	HF	High Frequency
CMMCA	Cruise Missile Mission Control Aircraft	HSF	Hypergolic Storage Facility
COMM	Communications	HTF	Horizontal Test Facility
COMET	Combined Optical Measurements Experiment Team	HTS	Hawaiian Tracking Station
		HVAC	High Voltage Alternating Current

## **ACRONYMS AND ABBREVIATIONS (CONT)**

ICBM	Inter-Continental Ballistic Missile	MDC	Mission Director Center
ILC	Initial Launch Capability	MDPS	Metric Data Processing System
ILSC	Integrated Launch Support Center	MDS	Meteorological Data System
ILS	Instrument Landing System	MFCC	Mission Flight Control Center
IMU	Inertial Measurement Unit	MHz	Megahertz
IOC	Initial Operational Capability	MIDDS	Meteorological Interactive Data Display System
IPF	Integrated Payload Facility	MILCON	Military Construction
IRIG	Inter Range Instrumentation Group	MLRS	Multiple Launch Rocket System
ISTEF	Innovative Sciences Technical	MIS	Management Information System
	Experimentation Facility	MLSC	Minuteman Launch Support Center
ISUS	Integrated Solar Upper Stage	MM	Minuteman
ITALD	Improved Tactical Air Launched Decoy	MMH	Mono Methyl Hydrazine
JPL	Jet Propulsion Laboratory	MMW	Millimeter Wave
JSC	Johnson Space Center	MOL	Manned Orbiting Laboratory
Km	Kilometer	MOTR	Multi-Object Tracking Radar
KW	Kilowatts	MSC	Mission Support Center
KMR	Kwajalein Missile Range	MSLS	Multi-Service Launch Systems
KSC	Kennedy Space Center	MSX	Midcourse Space Experiment
KTM	Kineto Tracking Mount	MW	Mega Watt
KV	Kilovolts	MSS	Meteorological Sounding System
LCC	Launch Control Center	MST	Mobile Service Tower
LF	Launch Facility	MTSS	Maintenance Test and Simulation System
LG	Logistics Group	NAG	Naval Astronautics Group
LLLTV	Low Light Level Television	NASA	National Aeronautics & Space Administration
LLS	Lightning Locator System	NATS	Naval Aerial Target System
LLV	Lockheed Launch Vehicle	NAWCWPNS	Naval Air Warfare Center, Weapons Division
LM	Launch Mount	NBP	Near Real Time Batch Processing
LOB	Launch Operations Building	NOAA	National Oceanographic & Atmospheric
LOCC	Launch Operations Control Center		Administration
LOX	Liquid Oxygen	NRZ	Non Return to Zero
LSB	Launch Support Building	OAB	Ordnance Assembly Building
LSC	Launch Support Center	OPR	Office of Primary Responsibility
LWIR	Long Wave Infra Red	OPS	Operations
MAB	Missile Assembly Building	OSB	Operations Support Building
MAF	Missile Alert Facility	OSC	Orbital Sciences Corporation
MARRS	Multiple Application Reusable Rocket System	OSS	Ocean Surveillance System
MARSSS	Meteorological and Range Safety Support System	OSTF	Operational Support Test Facility
Mb	Megabit	OT&E	Operational Test & Evaluation
MCC	Mission Control Center	PPAB	Payload Assembly Building
